The Official Government Advertisement For Proposals

To Furnish the Ground Upon Which the Building is to Be Erected—See Advertisement

The LEAF-CHRONICLE to day contains the government advertisement for proposals to furnish grounds for the postoffice building, in compliance with a recent act of Congress. By reference to the advertisement it will be seen that corner lot 113x100 feet is preferred. The 110 feet front must be on same street. If this kind of lot cannot be secured one 140x100 is acceptable, the 140 feet also to be street frontage. Bids will be closed October 8, at 2 o'clock p. m. If any proposal is accepted the property owner is to retain all buildings and other improvements, the same to be removed within thirty days after official notification. This advertisement will be welcome news to the people of Clarksville, as it shows that the government building will be erected at no distant day. Real estate owners can now put in their bids to the Secretary of the Treasury at Washington.

REPUBLICANS AT WAR.

A Fight Brewing Over the Legislative Candidate.

There is a fight brewing in the Republican camp in this county over who shall be offered up for slaughter on their ticket for the Legislature. One faction wants to nominate W. H. Woodward, while the other faction is for their standing candidate, G. Q. Boyd. Judging from what was told a reporter this morning, however, by a white Republican Mr. Woodward will be the nominee, and will in all likelihood accept.

The Republicans of this county say they will go into no fusion with the Third Parties. Some of them openly vow that if a fusion is effected they will vote the straight Democratic ticket.

The first trial of Dr. Wood's Norway Pine Syrup will satisfy any one that the lung-healing virtue of the pine tree has now been refined into an effective and convenient cough medicine. Sold by all dealers on a guarantee of satisfaction. Sold by Tudhope Drug Co.

Clarksville Tobacco Market.

Receipts are now very light, and under the weekly sales Warehouse stocks are running down. The sales for the week will approach 500 Hnds. The quantity and conditions were rather better than last week. The market was active with good demands for the kinds offering. Planters will make a good start this week towards cutting the crop in the field.

SOMETHING MYSTERIOUS.

Horace Ratcliff Finds a Horse, Bridle and Saddle on Red River.

Horace Ratcliff, a well known colored man of Taylor's Hill, came to the LEAF-CHRONICLE office this morning and reported finding a horse near the mouth of West Fork under rather suspicious circumstances. Last Sunday morning Ratcliff went to Red river to take up some trot lines and found a chestnut sorrel horse, bridle and saddle on, standing on the river bank. He took the animal to his home, and since that time has made inquiries in every direction for an owner for the animal. So far he has found none and thinks the circumstance rather suspicious. The horse is fifteen hands high and is worth perhaps \$100. The only thing that makes Ratcliff suspicious is the fact that no one has called for the horse.

REVEALED.

The Back of a Picture Clears the Louisville Mystery.

LOUISVILLE, Sept. 16.—By a signature on the back of a picture the mystery surrounding the double murder on Second street was by accident partially lifted at noon Wednesday.

Vincent Spaninger, the well-known produce merchant, and Mrs. Josephine Cole, his mistress, are both in jail, charged with the killing of Mrs. Eugene Sherrill and Mrs. Emma Austin, the victims of the sensational poisoning case of last Tuesday.

Wednesday detectives visited the Cole woman's house and discovered a picture of Spaninger. On the back of the picture was a name of Spaninger written in the same handwriting as that of the anonymous letters. Upon being questioned Mrs. Cole admitted that she wrote the name, and upon being charged with writing the letters she broke down and confessed. She was immediately jailed, as was Spaninger shortly afterward.

Mrs. Cole Refused Bail.

In the Sherrill-Austin murder case, Vincent Spaninger was held at the preliminary examination in \$5,000, while bail was refused Mrs. Josephine Cole.

Died of His Wounds.

MEMPHIS, Sept. 16.—Lee Duke, the young man who was shot Wednesday by George Forest, nephew of the late General Forest, died from his wounds Thursday. The tragedy has caused great excitement, and open threats of lynching are being made.
